INFORMATION CONCERNING GUIDED TOURS

THE GERMAN CHRISTMAS MUSEUM

The German Christmas Museum is located on the first floor of the Käthe Wohlfahrt shop "Christmas Village" near the market place. We have many classics and rare Christmas items on display, which are truly worth seeing. Their backgrounds are sometimes really surprising and exciting.

GUIDED TOUR

Our roughly **one-hour guided tour** explains the history of the Christmas decorations in an exciting and informative way. We will be happy to offer a **short half-hour guided tour** to guests with less time available.

Guided tours can be booked **in German or English**. Unfortunately, we cannot offer any guided tours during the Advent weekends, at Christmas and the New Year. As the museum guides come in especially for the tours, it is not possible to change times at short notice. We are sorry for the inconvenience.

Bookings of Guided Tours at the German Christmas Museum require our written confirmation. It is possible to cancel, free of charge, up to 7 days before your visit to the museum.

Please note that, due to structural conditions of the building, the maximum size of a guided tour is 25 persons. If your group exceeds this number, we would to book a second guide, as your group would be split up with the second guided tour starting 15 minutes later.

School groups	€ 2.00 per student

It is possible to pay in cash or by card on the day of your visit. We accept all standard credit cards. If you require an invoice, please note this on the booking enquiry in the relevant place.
